

Our Mission is to serve our God by providing a home to young women who are homeless. Providing residents a safe place to live while learning to trust, giving guidance in their choices, providing stability as they mature, helping them discover who they are, where they want to go, and what they want to be, providing a place to call home as they begin their adult journey.

Suppose a sister is without clothes and daily food. If you one of you says to her, "Go I wish you well: keep warm and well fed", but does nothing about her physical needs, what good is it? Faith by itself, if not accompanied by works, is dead.
James 2: 15-17

Hey there! I'm Katy, and I'm the new Office Manager for Precious Gems. I am really excited to be a part of the Precious Gems team! My first impression of this place is that it is a cozy, down-to-earth home for ladies to live in, and get the assistance they need. I love that this is a long term shelter, and the ladies can stay until they reach all their goals, whether it's furthering their education, obtaining a vehicle or just learning basic life skills while they are here. I am looking forward to helping and teaching these women!
