Renovation

By Lynn Mulder, President

Well, our renovation and redecorating is underway. We have made great progress with the help of many volunteers. The room we will be using for the kitchen is stripped down to the studs. We are hoping to start soon on putting the beam in so we can remove a wall between the kitchen and dining room. Once that is done, we can start work on the electrical and plumbing in the kitchen, then the drywall, and then hang the cupboards. We are working on getting bathroom fixtures such as the tub/shower units, toilets and sinks. Once those are acquired, we can start plumbing. There is also some electrical work

that needs to be done throughout the house. We have several builders, electricians and plumbers that have generously agreed to help us accomplish all this.

The painting is almost complete on the first floor. We are now starting to patch the walls and strip the gorgeous woodwork upstairs in the house parent apartment. We will then repaint and possibly install a mini kitchen.

All the bedrooms have been "adopted" and have been furnished and decorated. We have all the furniture we need for the house.

We had a deck donated that is built in the back of the house.

We are SO thankful for all the people who gave of their time and resources to help us in so many areas. Our hope is that the home will be ready for occupancy in September. Please pray that the work would progress smoothly and we will be ready to help young women in need very soon.

We can still use people with construction knowledge/skills to help with the renovation. Please contact me at 231-825-2533 if you are able to help in this way.

MORTGAGE PAYMENT

We are still in need of mortgage payments. As a church, individual, family or business, would you prayerfully consider a gift like this? Could you commit to ONE per year? The donation would be \$671.60.

OUR MISSION

To serve our God by providing a home to young women who are homeless; to help them learn to trust; to help them make good choices; to provide stability as they mature; to help them discover who they are, where they want to go, and what they want to be; to give them a place to call home as they begin their adult journey in life.

Suppose a sister is without clothes and daily food. If one of you says to her, "Go I wish you well; keep warm and well fed", but does nothing about her physical needs, what good is it? Faith by itself, if not accompanied by works, is dead. James 2: 15-17
