

Our Mission is to serve our God by providing a home to young women who are homeless. Providing residents a safe place to live while learning to trust, giving guidance in their choices, providing stability as they mature, helping them discover who they are, where they want to go, and what they want to be, providing a place to call home as they begin their adult journey.

Suppose a sister is without clothes and daily food. If you one of you says to her, "Go I wish you well: keep warm and well fed", but does nothing about her physical needs, what good is it? Faith by itself, if not accompanied by works, is dead.

James 2: 15-17

Summer tends to be a time where our program has openings. We are asking for the community's help to locate any potential woman in need. We have currently gone through a transition at Precious Gems and we are seeking a paid relief staff employee. If interested please apply at www.preciousgemshome.org.
